Employing Service <i>(Where you have worked/are working)</i>	Position/Rank <i>(Held or are holding)</i>	Date		Primary Functions <i>(What you were / are doing)</i>
		From	To	

ANNEXURE: B

C.V. - WILDLAND FIRE OFFICER I, NFPA 1051, 2016
Standard for Wildland Fire Fighter Professional Qualifications

This CV should accompany your application for accreditation on the grounds of Recognition of Prior Learning for Wildland Fire Officer I [Form: ACC 119].

Briefly describe your **Role as Supervisor** in the following activities. Use all the headings listed below in your CV. The purpose of this is to be able to have a realistic impression of your experience to be able to assess your application fairly.

If you attended any courses related to the Criteria described in the CV, copies of the certificates can be attached.

This CV is required in addition to a certified copy of your Wildland Fire Fighting qualification or higher qualification.

Note: Please use additional paper if the space provided is not adequate.

6.2 Human Resource Management:

- **6.2.1** The Supervision of human resources to accomplish assignments in a safe and efficient manner.

- **6.2.2** The ability to observe, evaluates, counsel, and document personnel as to fitness for duty in accordance with agency policies and procedures.

- **6.2.3** Verifying the qualifications of assigned personnel, given an assignment or task, so that individual fire fighter skills are appropriate and deficiencies are identified, reported, and corrective action is taken

- **6.2.4** The provision of medical treatment, given an injured or ill fire fighter and agency policies and procedures, so that the appropriate emergency treatment is provided, appropriate notifications are made, and required reports are completed.

- **6.2.5** The evaluation of job performance of assigned personnel, given agency standards, so that the information is provided to the individual being evaluated and all required forms are completed.

6.4 Mobilization

6.4.1 Definition: Collection of agency dispatch information, assembly of assigned resources, travels to designated location, and check-in.

- **6.4.2** The obtaining of complete information from agency dispatch, given agency standard operating procedures, so that travel route, assignment, time needed, and point of contact are determined.

6.5 Suppression

6.5.1 Definition: Supervision of a single resource involved in wildland fire suppression, and when first on scene, assume command of initial attack incident, until relieved

- **6.5.2** Size up an incident to formulate an incident action plan, given a wildland fire and available resources, so that incident objectives are set and strategies and tactics are applied according to agency policies and procedures.

- **6.5.3** The development of an initial report on conditions, given incident information and agency policies and procedures, so that required incident information is communicated to the agency communications center and updated as needed

- **6.5.4** The establishment of an incident command post (ICP), given AHJ policies and procedures, so that the location is correctly sited, clearly identified, and communicated to personnel.

- **6.5.5** The deployment of resources to suppress a wildland fire, given an assignment, personnel, equipment, and agency policies and procedures, so that appropriate suppression actions are taken, and safety of personnel is ensured.

- **6.5.6** The maintenance of incident records, given agency policies and procedures and applicable forms, so that required information is documented.

- **6.5.7** The evaluation of incident conditions, given a wildland fire, so that progress, changes in fuels, topography, weather, fire behavior, and other significant events are identified and communicated to the supervisor and to assigned and adjoining personnel.

- **6.5.8** The communication with supervisors, crew members, and adjoining personnel given a wildland fire incident, so that progress, changes in conditions, fire behavior, and other significant events are current.

- **6.5.9** The provision for the logistical service and support needs for assigned resources, given a wildland fire, assigned resources, and agency policies and procedures, so that personnel and equipment needs are met in accordance with agency policies.

- **6.5.10** The analyzing of incident needs, given assigned resources and incident status, so that additional resources needed are ordered or excess resources are identified and released in accordance with agency policies and procedures

- **6.5.11** The provision incident information on the incoming replacement incident commander, given a wildland fire, so that the transfer of command is completed and the new incident commander has the information necessary to operate

- **6.5.12** The deployment of resources to mop up a wildland fire, given a wildland fire, personnel, equipment, and agency policies and procedures so that appropriate mop-up actions are taken

- **6.5.13** The completion of wildland fire suppression operations, given a wildland fire that has been controlled and mopped up and agency policies and procedures, so that the fire area is extinguished and resources are returned to service

- **6.5.14** Respond to requests for incident information given policies and procedures of the AHJ, so that response is accurate, within the policies, and in a time-sensitive manner.

- **6.5.15** The completion of personnel time and equipment use records, given agency policies, procedures, and related forms, so that the information is accurate and in compliance with standards established by the AHJ

- **6.5.17** The preparation of final incident reports, given an extinguished wildland fire and agency policies and procedures, so that the reports are complete, accurate, and submitted on time
