## **Good Day Fellow Firefighters**

**Today 4 May 2020, marks world Firefighter's day, due to COVID-19 Regulations and Restrictions there will be no events that will take place from the Events and Marketing Working Group.**

**We would like to take this opportunity to acknowledge Firefighters, both nationally and internationally on this day. We would also like to thank you each and every one of our Firefighters for their sincere dedications and sacrifices shown during this world pandemic.**

**It is much appreciated that during these trying times we follow the recommendations laid down by the World Health Organization in keeping ourselves as well as the communities we serve safe.**

**It will be appreciated if Branch Chairpersons could please rely or send out messages of encouragement to the constituents.**
