NOTICE: Industry Demand for Re-instatement of Legacy Qualifications

SAESI will re-open from January 2020 registration to write Examinations in Fire Technology for both first time writers and members already in the system whom attempted examinations before.

Council at its Annual General Meeting on 29 August 2019 rescinded its previous resolutions to close and phase out the SAESI Fire Technology Examinations. The resolutions to close and phase out the SAESI Fire Technology Examinations was conditional on the establishment and rollout of 1) the Distance Learning Programme in Fire Technology by the Tshwane University of Technology (TUT) and 2) the Development of Occupational Certificates in line with the NFPA standards and satisfying the requirements met by the Fire Technology Qualifications on the National Qualifications Framework (NQF) on level 5, 6, and 7.

Development or re-alignment of Qualification on the NQF is not only a lengthy process but a phased development where the development of NQF 6 for example is contingent on the development and registration of the NQF 5. SAESI fully supports this SAQA registration route on the NQF and believe it to be the better route to follow. It is through the participation and recognition that SAESI played a pivotal roll in development and registration of the Occupational Certificate Fire Fighter NQF 4.

SAESI has already submitted intent to re-align the NQF 5 qualification: National Certificate: Emergency Services Supervision Fire and Rescue Operations similarly.

Believing the faster route to assist our members to be the TUT distance learning programme, SAESI initially supported the suspension of the SAESI Examinations through the phasing out period.

The uncertainty surrounding the rollout of the TUT Distance Learning Programme in Fire Technology and inability to secure factual information further strengthens the fact that SAESI as a Professional Body and Recognised Industry Role player since 1959, cannot allow our members to be prejudiced and marginalized any further.

What does all this mean?

- From January 2020, SAESI will open registration for all levels of Fire Technology and all Subjects.
- Once the NQF 5 Occupational Qualification is registered, the registry for SAESI Higher Certificate Examinations will close.
- Members in the system will be afforded opportunity to complete the level within two years after closure of the registry where after all examinations for the SAESI Higher Certificate in Fire Technology will cease.
- No new intakes will be allowed once the registries have closed.

The same process will apply for the Diploma and Higher Diploma Levels meaning that,

- Once an Occupational Qualification on the NQF equivalent to or satisfying the needs of the Diploma in Fire Technology the registration for the SAESI Diploma Examinations will close.
- A member who has the Higher Certificate but have not entered the Diploma Examinations at that stage will not be able to enrol.
- Members who are in the system will be afforded opportunity similarly with the Higher Certificate to complete the level within two years after closure of the registry.

The same will apply for the Higher Diploma Level and registration of equivalent NQF Qualifications.

We would like to take this opportunity to thank our members for their patience, understanding and continued support of SAESI.

---o0o---

2020 SAESI Examination Programme

1st Session: Registration Dates

- Registration Opens - Friday 3rd January 2020
- Registration Closes - Friday 7th February 2020

1st Session: Examination Dates

- Fire Technology Examination [FIT] - All Levels -Monday 6 April 2020
- Fire Engineering Science Examination [FES] - All Levels -Tuesday 7 April 2020
- Management Examination [MNG] - All Levels -Wednesday 8 April 2020
- Fire Safety Examination [FST] - All Levels -Thursday 9 April 2020

1st Session: Marking Dates

- Marking Session between Monday 18th May 2020 to Friday 22nd May 2020

1st Session: RESULTS Release Date

- Results released on Friday 29th May 2020

1st Session: Application for Remark or Review

- Opens - 29th May 2020
- Closes - 5th June 2020

---o0o---

Dedicated email address for sending applications is zelda@saesi.com
or
alternatively info@saesi.com

Use the following **PAYMENT REFERENCE** when making payment:
EXAM + [Your Member Number OR Id Number]

2nd Session: Registration Dates

- Registration Opens - Friday 3rd July 2020
- Registration Closes - Friday 7th August 2020

2nd Session: Examination Dates

- Fire Technology Examination [FIT] - All Levels -Monday 5 October 2020
- Fire Engineering Science Examination [FES] - All Levels -Tuesday 6 October 2020
- Management Examination [MNG] - All Levels -Wednesday 7 October 2020
- Fire Safety Examination [FST] - All Levels -Thursday 8 October 2020

2nd Session: Marking Dates

- Marking Session between Monday 16th November 2020 to Friday 20th November 2020

2nd Session: RESULTS Release Date

- Results released on Friday 27th November 2020

2nd Session: Application for Remark or Review

- Opens - 30th November 2020
- Closes - 4th December 2020

Dedicated email address for sending applications is zelda@saesi.com
or
alternatively info@saesi.com
