

STADIO

A NEW VISION IN
HIGHER EDUCATION

SAESI & STADIO HAVE A HUGE OPPORTUNITY FOR SAESI MEMBERS!!

STADIO is in need of lecturers to present the Higher Certificate Fire Technology Subjects on NQF Level 5; namely Fire Technology, Fire Science and Fire Safety. SAESI Members have 1st opportunity to apply. This is a contract-based position and not permanent employment through STADIO.

These are not classroom-based lectures. Lecturers will be required to be available for a few hours a week to assist learners. Lecturers must have a Computer/Laptop with stable internet access.

Applicants for lecturing on Higher Certificate will need to have at least a NQF Level 6 qualification, preferably in the field; such as BTECH, Disaster Management, Fire Engineering, etc.

If you think you might qualify, please send your detailed CV and qualifications to Mr André Roets via email on aroets@sbs.ac.za

-  Lecturers for NQF Level 5 need a minimum NQF Level 6 qualification
-  Lecturers for NQF Level 6 need a minimum NQF Level 7 qualification
-  Lecturers for NQF Level 7 need a minimum NQF Level 8 qualification
