A note from the President

I am sure most of you are aware of the elections that took place in May 2023 and the outcomes of the process.

I am humbled and honoured that you have put your trust in me to elect me as your President. Congratulations Ms. N Mkhwanazi on your election as Vice-president. Together we will do our best to make a difference.

You are all aware that no elections took place in 2019 at the AGM and in 2020 COVID 19 happened that forced everything into slow motion. The result was that there are currently very few appointed office bearers. There have been several attempts to get office bearers nominated and elected, however with the dwindling membership numbers and delays, it created a bit of an issue.

With the nomination process we managed to get a few office bearers at branch and working group level and there was no need for elections because they could just be appointed in the available positions. Head Office in conjunction with the Nomination Committee is currently working on the distribution of these letters.

Advertising of all vacant office bearer positions will happen soon, and we are planning a special Council Meeting to finalize the processes, we will eventually have an Annual General Meeting.

Several members have asked questions regarding the financial status of the Institute. Below is a summary of our financial status. Take note that SAESI is a recognized Professional Body with SAQA and in accordance with SAQA Professional Body Policy and Criteria all financial statements have been reviewed. This process is actually a feather in our caps with SARS.
